SUMMARY

Computer Science student with a strong foundation in Software Development, Data Structures, and Algorithms. Proficient in Python, Java, and web technologies with hands-on experience in building real-world projects.

Education

Malla Reddy Engineering College B.Tech in Engineering, GPA: 8.5	Hyderabad, Telangana 2022 – Present
SR Junior College 12th Grade, Marks: 950/1000	Hyderabad, Telangana 2020 - 2022

Experience

Skilltmate Technologies Junior Developer Intern	Hyderabad, India May. 2024
- Developed a responsive online food ordering webpage using HTML, CSS, and Bootstrap, ensuring seamless performance across devices. - Enhanced user experience by implementing dynamic cart functionality and interactive menu features using JavaScript.	

Skills

Programming Languages: Python, Java, SQL
Web Development: ReactJS, HTML, CSS, JavaScript, RESTful APIs, Flask
Tools and Technologies: Docker, Version Control (Git & GitHub), VS Code
Soft Skills: Analytical Thinking, Problem Solving, Communication

Projects

Stock Market Analysis and Prediction | ReactJS, Flask, RESTful APIs | ([Github](#)) ([ViewLive](#))

- Built and deployed a full-stack stock market prediction web app using ReactJS for the frontend and Flask for the backend API services.
- Designed interactive UI components using ReactJS to allow users to search and visualize historical stock performance.
- Developed RESTful APIs in Flask to serve stock price predictions and historical data to the frontend.

Department of Data Science Results analysis | Python, Streamlit, Docker | ([Github](#)) ([ViewLive](#))

- Developed and deployed an interactive Streamlit dashboard to analyze academic results of 210+ Data Science students, featuring year/semester navigation, section filters, and rich visualizations using Plotly.
- Conducted EDA to evaluate subject-wise and section-wise performance, built visual summaries of top performers and pass/fail rates, and containerized the app using Docker for deployment on Render.

Certifications

Complete Web Development (View)	Udemy
Structured Query Language - SQL (View)	HackerRank
Prompt Engineering (View)	Google Cloud

Awards and Achievements

- Secured 3rd Position in AI Hackathon Conducted by Atharva Data Science Community (ADSC) At Malla Reddy Engineering College (MREC)
- Achieved Elite Badge in Python for Data Science course, certified by NPTEL & IIT Professor's.
