EDUCATION

Malla Reddy Engineering College	Hyderabad, Telangana
B.Tech in Computer Science Engineering - DS, GPA: 8.55	2022 – 2026
SR Junior College	Hyderabad, Telangana
12th Grade, Marks: 950/1000	2020 - 2022

EXPERIENCE

Data Science Intern - Skilltmate Technologies	April 2024 - May 2024
- Developed and optimized machine learning models for predictive analysis, improving accuracy in data-driven decision-making. - Preprocessed large datasets using Python libraries like Pandas and NumPy, enhancing model efficiency and Performance.	
Project Admin - Girl Script Summer of Code(GSSoC)	June 2025
- Collaborated with 20+ developers to improve a stock price prediction model and deployed it as a full-stack web app with real-time financial data, leading to 5% better prediction accuracy. - Built ETL pipelines using Python (Pandas, yfinance) and scheduled daily data fetches with Apache Airflow, processing 100,000+ stock records at once.	

TECHNICAL Skills

Programming Languages: Python, SQL, Java (Basic)
Libraries & Frameworks: Pandas, NumPy, Matplotlib, Seaborn, Scikit-learn, Flask, Streamlit (Basic)
Data Tools & Technologies: Jupyter Notebook, Power BI, Excel, Git, GitHub
Databases: MySQL, MongoDB (Basic)
Soft Skills: Analytical Thinking, Problem Solving, Communication, Team Management

PROJECTS

Stock Market Analysis and Prediction Python, Scikit-learn, Pandas, Flask (GitHub)
- Built ML models (LSTM, RNN) to predict stock prices, improving prediction accuracy. - Collected and preprocessed historical stock data using yFinance and Pandas. - Collaborated with developers under the GSSoC program to transform data workflows into a full-stack stock prediction web application.
Department of Data Science Results analysis Python, pandas, Web-Scraping (GitHub)
- Scraped academic performance data for 210+ students using Selenium. - Cleaned and structured data with 95% accuracy and performed exploratory data analysis. - Visualized subject-wise averages and section-wise performance using Matplotlib & Seaborn. - Delivered insights that highlighted departmental trends and areas for academic improvement.

CERTIFICATIONS

Career Essentials in Data Analysis (View)	Microsoft and LinkedIn
Structured Query Language - SQL (View)	HackerRank
Python for Data Science (View)	NPTEL
Prompt Engineering (View)	Google Cloud

AWARDS AND ACHIEVEMENTS

- Secured 3rd Position in AI Hackathon Conducted by Atharva Data Science Community (ADSC) At Malla Reddy Engineering College (MREC) - Achieved Elite Badge in Python for Data Science course, certified by NPTEL & IITs.
